

"Running with Horses...."

We cannot run with horses in our own strength. We need to be strengthened in the 'inner man'. This type of strength comes from God alone. This confidence we need to push through, sometimes against all odds, is His promise to us.

Heb 10:35 "Do not throw away this confident trust in the Lord, no matter what happens. Remember the great reward it brings you! 36 Patient endurance is what you need now, so you will continue to do God's will. Then you will receive all that he has promised. 37 "For in just a little while, the Coming One will come and not delay. 38 And a righteous person will live by faith. But I will have no pleasure in anyone who turns away." 39 But we are not like those who turn their backs on God and seal their fate. We have faith that assures our salvation.

Once again we are reminded that life often forks off in two different directions. We must choose the high road, even though it looks more difficult and treacherous. That road gets steep in places. The climb takes its toll on us. It gets lonely. There are not many people on it, but more than you imagined, and some because of your example.

It gets slippery, the devil blows ice on the road. Despite its dangers, the higher road is bound for the peak, and you'll make it- God has a life line around you.

We are encouraged to persevere in our faith when faced with the difficulties of life. During these times of difficulty and stress, we may feel God's presence more clearly and find help from those around us.

When you are tempted to falter in your faith or to turn back from following Christ, keep focused on what He has done for you and what He offers in the future, then KEEP CLIMBING.
