

## BIG GOD, BIG LIFE...

By the grace of God, we can live a big life in a big world...

Eph 3:20 "God can do anything, you know - far more than you could ever imagine or guess or request in your wildest dreams! He does it not by pushing us around but by working within us, his Spirit deeply and gently within us." [MSG]

Leonard Ravenhill said, "What use is deeper knowledge if we have shallower hearts?"

We'll be drilling down into solid rock- the Firm Foundation- Himself, so that we're anchored enough to build big, strong walls... as we increase our capacity in the Lord, I'm positive He will give the increase.

We all want to grow in some way. We need God to strengthen our resolve and to be our source and our strength in this process.

I'm sure you'll agree with me that there is so much more that can become evident in and through our lives. We need to go beyond our limited knowledge, beyond our small measure, to where the fullness of God can become a reality in our lives.

Let's leave the security of our world of small thinking and small experiences. Let's cross over to the 'far-more-than-you-could-ever-imagine....' - wider, longer, higher, deeper and so much fuller.

Enjoy a fantastic year of Gods favour, as you allow Him to take you places...
